Letter No. WCD-CCI-INSP-2024/07 | Dated: 29-June-2024

Subject: Inspection Report — Child Care Institutions (CCIs), Mayurbhanj District

This report presents the findings of a joint inspection of five Child Care Institutions (CCIs) operating in Mayurbhanj district, conducted by the District Child Protection Unit in coordination with the Juvenile Justice Board and the District Legal Services Authority, pursuant to directions under the Juvenile Justice (Care and Protection of Children) Act, 2015.

The inspection covered infrastructure adequacy, staffing pattern against sanctioned strength, maintenance of individual care plans, availability of educational and vocational support, grievance redressal mechanisms, and compliance with statutory registers as prescribed under the Model Rules.

Of the five institutions inspected, two were found to be broadly compliant with minimum standards of care. Three institutions were found deficient on one or more parameters, and corrective action has been directed with specific timelines as detailed in the summary table below.
